

Mission: Haiti May 2010

When the peace keepers in Haiti representing police from over 50 countries needed quality fresh produce, meat, seafood & groceries. The obvious choice to fulfill this mission was US Food Products Corp. Headquarters Teaneck, NJ with worldwide and domestic experience as supplier, educator dispensing advice on food handling and processing. With integrity and commitment in excellence. Throughout the world Italy, Mexico, France (awarded the gold medal of honor & Diploma de Boucherie Paris), Mongolia (the order of Genghis Khan), China, provided food for takeover of Hong Kong by China, Panama, United Kingdom, Costa Rica, Canned food to Russia after fall of communism. The Netherlands, Singapore provided education regarding mad cow disease, Poland, provided food to Lech Velenza during the shipyard embargo by communist army. And was complimented by President in the white house for helping to bring down Communism and many more. Phase one was a complete success with appreciation and compliments from all concerned. Now phase two will begin & we will keep you posted!
